Emerging Visual Artists - Exhibition Application

A professional Exhibition Opportunity for Emerging Visual Artists

The Bruce H. Lien Cultural Café and Gallery highlight the work of one or more emerging artists several times a year. The definition of an “emerging artist” is an individual who has great potential in their artwork but has no major recognition for their work. We encourage students and young artists to apply.

We are here to meet the needs of the young artist in our community.

Application Procedure

Applications for Emerging Artists exhibitions must be processed through the Emerging Visual Artists Committee (EVAC) and will be added to the schedule in the order it was received.

Electronic applications should include the completed application form, current artist statement, and/or exhibit proposal, 10-20 images with a description of your work in PDF format and JPEG format no greater than 3 MB each in size. This includes examples of work that you would like to display in the Bruce H. Lien Cultural Cafe & Gallery. Application content can also be shared using a shareable link (e.g. Google Drive, Dropbox, OneDrive, etc.).
